AMENDMENT

In response to the May 25, 1999, Office action, please amend and consider further the subject application in light of the following:

In the Claims:

Cancel Claims 1 to 22, 44 to 87, and 113 to 138.

REMARKS

The referenced Office action examined and allowed Claims 23 TO 43. The remaining claims were drawn to nonelected species. It also made the restriction requirement final. Applicant now cancels the claims drawn to the nonelected species. This would appear to remove the only impediment to the issuance of the subject application.

Applicant encloses check no. 5111 of the undersigned attorney in the amount of \$110.00 as the fee for one month's extension of time to respond to the May 25, 1999, Office action. Any required extension fee not paid for by an enclosed check may be charged to Deposit Account 06-2135 of the undersigned attorney.

Respectfully submitted,

Eugene F. Friedman
